

Vocabulary/Spelling List

This list is to be used as a *basis* for your vocabulary and spelling words for this unit study. Look at the list of words given for grades K-3. If there are any words that your child does not know, add them to the list below. If you feel some words are too difficult, exclude them. If the child does not know the meaning of the words, have him look them up in a dictionary, science dictionary, or encyclopedia and write a brief definition. Add to, subtract from, or customize this list to make it your own.

adenoids	dendrite	mandible	quadriceps
aorta	dentine	maxilla	rectum
appendix	dermis	medulla	retina
atrium (right & left)	duct	melanin	root canal
auditory bones	enzyme	membrane	scapula
auditory nerves	epidermis	meninges	scar tissue
axon	epiglottis	metatarsals	sclera
biceps	Eustachian tube	midbrain	semicircular canals
bile ducts	glands	nerve fibers	spleen
bronchus	hair follicle	nucleus	sweat gland duct
capillary	heredity	nutrient	tarsals
cell body	larynx	optic nerve	tendon
cerebellum	ligaments	ossify	thyroid
cerebrum	lumbar	pain receptor	tibia
cilia	lymph	palate	trachea
cochlea	lymph system	perspiration	triceps
colon	femur	phalanges	tympanic membranes
connective tissue	fibula	pharynx	vena cava (superior & inferior)
cornea	fontanelles	photoreceptors	ventricle (right & left)
cranium	ganglia	platelets	voluntary muscles
deltoid	gingival	pulmonary artery	
		pulmonary vein
