

MANAGING MULTI-LEVEL TEACHING

Kathie Morrissey

1. Remember what you are trying to accomplish
2. Discipline your children
3. Get organized, and schedule your day
4. Choose curriculum according to children=s learning style and needs, as well as what works best for you.
5. Encourage your children to work independently
6. Use educational videos and software
7. Limit outside activities
8. Make sure that regular chores are part of your daily activities
9. Don=t forget to smell the roses.
